

**REQUEST FOR EXPRESSIONS OF INTEREST  
SHORT TERM TECHNICAL ASSISTANCE  
TO CONDUCT A RAPID ECOLOGICAL ASSESSMENT**

**LOCATION: JAMAICA – Wagwater (including Castleton Garden) Watershed Management Unit (St. Mary), Rio Nuevo Watershed Management Unit (St. Mary) and Rio Bueno/White River Watershed Management Unit (St. Ann/Trelawny)**

**PROJECT: A Jamaican Path from Hills to Ocean (H2O)**

The Planning Institute of Jamaica (PIOJ), representing the Government of Jamaica (GOJ) is the executing agency for the H2O Project in partnership with the implementing partners: Ministry of Agriculture and Fisheries (MoAF) Public Gardens Division (PGD), the Rural Agricultural Development Authority (RADA) and the National Environment and Planning Agency (NEPA). The H2O project is jointly funded by the GOJ and the European Union Global Climate Change Alliance Plus Initiative. The overall objective of the H2O project is to increase resilience to climate change and reduce poverty through the implementation of an Integrated and Sustainable Landscape Management Methodology.

The PIOJ is seeking participants in the above-mentioned tender procedure, to provide Technical Assistance to conduct a Rapid Ecological Assessment of the Wagwater Watershed Management Unit in St. Mary (including the Castleton Gardens), the Rio Nuevo Watershed Management Unit in St. Mary and the Rio Bueno/White River Watershed Management Unit in St. Ann and Trelawny.

In order to assist persons in determining their suitability for participation in the planned tender, visit the PIOJ website at ([www.pioj.gov.jm](http://www.pioj.gov.jm)) for further details on:

- Project Description
- Specific Work
- Eligibility
- Selection and award criteria
- Contract budget etc.

Kindly submit a signed cover letter declaring your interest along with the requisite information to determine your eligibility, in electronic format to [projectsjobs@pioj.gov.jm](mailto:projectsjobs@pioj.gov.jm) no later than **March 31, 2021**.
